

## 7 Acre Wood

# Home School Opportunities

Fall 2009 to Spring 2010

### Tuesday Co-op (10:30am—2:30pm)

Homeschoolers welcome! Season Pass required for participation (\$35/person over 18mo. Or \$140 max family pass good for school year). This co-op is designed for enrichment, recreation, and socialization for age 4 through Jr. High. Our focus this year will be Science. Parent of each participating family will volunteer to teach or assist on a team.

**The activities offered @ Co-op this year include:**

#### **Missionary Story**

To start the day we will focus on a life story of people who spend their lives serving Jesus in different places around the world.

#### **Kids Book Club**

You choose for your child, classics or contemporary books. They will journal and learn to give an oral review to the group. This is a great exercise for children to show their understanding, and to motivate them to read!

#### **Parent Support Group**

We see the need for parent support. We will carve out time for home schooling parents to talk, review books and/or to hear special speakers on home schooling topics.

#### **P.E./Recess**

There's no better place for physical education and stretching the imagination than the 7 Acre Wood! Organized games, team work and free play will be a part of the itinerary.

#### **Science**

The children will have hands on opportunities to learn about the world we live in. We will have stations set up for the children to research the subjects that we are studying for the month.

#### **Seasonal and Social Events**

If it sounds fun to help plan holiday parties your hired! We will have a pumpkin harvest party in October, a Thanksgiving feast in November, and a "Christmas Around the World" event in December, a Valentines Day celebration in Feb. We will have fieldtrip opportunities to attend as a group as well.

### Fantastic Fridays

**Recess (1pm-4pm) It's a play time for all home schoolers (parents must be present). Special park admission during this time is \$3/person or free if you're a season pass holder!**

**Highschoolers & Jr. High: Friday nights (5pm-9pm) 9th—12th graders will meet for sand volleyball, mini golf and/or board games @ the 7 Acre Wood's coffee house. Special \$5 admission or no extra charge with a season pass!**

#### Also

**Carpenter House Music** w/teacher Conrad Craft offering guitar and piano lessons (936-232-0031)

**Tsunami Martial Arts** w/teacher Shaun Gonzales Monday nights 9281-635-6593)

**Youth Group Events** have your club coordinator call us to plan a super memorable and fun night!
